

## Junction for MOS compact metering valve

Valve installation ports are threaded in M10x1 specially for MOS valves.  
 Plug the installation ports not in use with Blanking Plug (BPS).  
 When connecting tubing, use the adapter (SAS).

### Dimensional drawing

### Model

Model	Part Number	Specifications	L <sub>1</sub>	L <sub>2</sub>
PVS-2S	206572	Single type for 2 ports	47	34
PVS-3S	206573	Single type for 3 ports	63	50
PVS-4S	206574	Single type for 4 ports	78	65
PVS-5S	206575	Single type for 5 ports	93	80
PVS-6S	206576	Single type for 6 ports	108	95
PVS-7S	206577	Single type for 7 ports	123	110
PVS-8S	206578	Single type for 8 ports	138	125

●Material Zinc Die Casting (ZDC)

Model	Part Number	Specifications
PVS-2D	206554	Double type 2ports

●Material Zinc Die Casting (ZDC)

Model	Part Number	Specifications
PVS-4D	206557	Double type 4ports

●Material Zinc Die Casting (ZDC)

## Junction for main tubing

For 6mm O.D tubing
