Model	Part Number	Height x width	mass
VACUUMER	222301	340×270mm	3.4 kg

Before

After

※ Waste cloth is not used

Demonstration movie available

## Advantages and caution

- Over 0.5MPa Air is required. Shorten cleaning time to two thirds compare to cleaning with waste cloth.
- Small and handy with sholder strap.
- No driving source, no electric device. LUBE's original design. Excellent durability, Semipermanently usable.
- ※ Always use the Air hose included.
